PRESIDENT'S MESSAGE

November 1, 2010

Dear Fellow Big Ten Club Members,

While hard to believe, Thanksgiving is now less than three weeks away and the Big Ten football schedule is about to enter into the final stretch. And with four teams (as of this writing) now tied for first place, what a stretch it promises to be! At this point, it's anyone's guess who will win the Big Ten and hopefully represent the conference in the Rose Bowl game on January 1.

What we do know, however, is that the club will once again be able to offer its members the opportunity to purchase tickets to the game. The ticket application will be mailed to you later this month and I strongly encourage you to adhere to the application deadline, tentatively set for Wednesday, December 8. As we do every year, the deadline will be strictly enforced and no exceptions will be made for orders received after the deadline.

As always, the club calendar lists a number of outstanding events coming up over the course of the next month - an LA Kings game on Saturday, December 4, the annual BTC Holiday Party on Sunday, December 5 and the 'not to be missed' Queen's Luncheon on Friday, December 17. If you've never been to this wonderful traditional event held at the exclusive Valley Hunt Club in Pasadena (where the Rose Parade was first planned over 100 years ago) why not make this year the one when you finally make it - I think you'll be glad that you did.

Finally, I'd like to encourage those of you who might be able to attend (i.e., our retired members and those living or working near Pasadena) to attend the Pasadena Quarterbacks Luncheon on Friday, November 19 at the Brookside Golf Course Clubhouse, next to the Rose Bowl. John Sciarra, former UCLA quarterback and MVP of the 1976 Rose Bowl game is the guest speaker. I attended the luncheon on September 24 that featured Sam Cunningham from USC and received a wonderful welcome from the club. They'd very much like to build a relationship with us and, given our many common interests, I'm hoping that we can do that. I plan to attend the luncheon and would be delighted to have you join me - and hopefully others - so that we might have our own BTC table.

I encourage you to contact me or any other Board member with any thoughts or ideas you might have on how we can best serve our members. I can be reached at 909.621.8557 (work), 626.334.5676 (home) or wildcats76@verizon.net.

Go Big Ten!

Sincerely,

Jim Jacobs

Pasadena Quarterbacks Luncheon Series
Friday, November 19th, The Brookside Clubhouse

The Pasadena Quarterbacks (www.pasadenaquarterbacks.org) is a 66 year old organization dedicated to the support of community football that has, through its efforts, donated over \$250,000 to a variety of schools and organizations. The club is open to one and all and the only requirement to join is a dedication to the game of football and its place in our community.

Each fall, the club sponsors a weekly luncheon series at the Brookside Golf Course in the shadows of the Rose Bowl that features a variety of outstanding coaches and speakers. Just starting this year, we'd like to promote the Pasadena Quarterbacks luncheons to our members and try and gather a table full of Big Ten Club members on November 19th, when John Sciarra will speak (UCLA Rose Bowl MVP and Rose Bowl Hall of Famer).

All of the luncheons are on Friday and begin at 11:30 a.m. The cost is \$30 for non-members and \$25 for members of the Pasadena Quarterbacks club (they are always looking for new members and dues are only \$85 per year). Len Roth (Michigan State) will coordinate the series for the BTC. If interested in attending the October 22 luncheon, please contact Len at 818-609-7575 (work) or fnclpro@aol.com by November 15th. You can pay "at the door" but we do need to know who plans to attend so that we can reserve a table for the club.

We hope that you can help us start a new club tradition and look forward to possibly seeing you on November 19th.

Big Ten Club Contact Cards - Now Available

Big Ten Club Members -- We have printed up brand new BTC Contact Cards (see picture above) for everyone to pass along to interested parties and prospective members. We have also established a permanent BTC mailing address and phone number for contacts. Besides welcoming our newest Nebraska members, these cards are excellent for chance meetings and to get people interested in the Big Ten Club. Send an email with your mailing address to secretary@bigtenclub.com and we'll send you some.... carry them with you and let's tell everyone about the Big Ten Club!!!!

Big Ten Club Website – Help Wanted

Our Webmaster Steven Green will be President next year, and he'll have plenty to do for the Club. We are thinking of redoing the website and asking for a volunteer who can add content regularly and keep it updated. This is a very important part of our updated Communication plan, and help here would be very useful and greatly appreciated. The ideal person would have web design experience, a little graphic art knowledge and 3-4 hours a month available to help the Club. Please contact Alan Freeman, Communications Committee Chair at afreeman@bestOCevents.com or cell (714) 390-5190 if you would like to help in this important position.

The NU Club of L.A. and the Friends of the Children's Institute International will host the 24th annual holiday party and toy drive for abused children Dec. 6th at Lola's Restaurant at 945 N. Fairfax from 6:00 p.m.-- 8:30 p.m.

The toy drive benefits more than 4,000 abused and neglected children of all ages and ethnicities treated by the Children's Institute International, a non-profit organization with facilities in central Los Angeles and Torrance. CII counsels and, in some cases, houses the abused children. Attendees are asked to bring new, unwrapped toys and/or books.

The toy drive will be held cocktail party style with hors d'oeuvres and holiday/dance music provided. Therapists and social workers from CII will be on hand to pass out literature and answer any questions about the facilities and the children.

All BTC members are invited and asked to bring at least one, new and unwrapped toy. Thanks.

Census data, *Playboy* centerfolds, the 2007 IKEA catalogue: these and other artifacts of contemporary culture provide the unexpected fodder for Jason Salavon's acclaimed artistic practice. Using software processes of his own design, Salavon works at the intersection of art, information technology, and daily life. His distinctive video installations and photographic prints have been exhibited and collected by museums around the world, including the Whitney Museum, the Art Institute of Chicago, and the Metropolitan Museum of Art. Salavon is now on the faculty at the University of Chicago, with a joint appointment in the Department of Visual Arts and the Computation Institute. Visit www.salavon.com to see a full archive of his work, and join us on November 14 to learn about how this interdisciplinary artist is redefining the boundary between technology and art.
